### ■■■ IMPORTANT DISCLAIMER

**Stock Alerts Pro is a PRICE NOTIFICATION SERVICE ONLY. Natts Digital does NOT provide financial advice, investment recommendations, or any form of financial services. We are NOT an Australian Financial Services (AFS) licensee. All investment decisions are made solely by the user.**

## 1. About Natts Digital & Stock Alerts Pro

Natts Digital is an Australian technology company providing digital software solutions. Stock Alerts Pro is a web-based application that monitors stock market prices and sends notifications to users when specified price thresholds are reached. The service is operated as a technology tool only and does not constitute financial advice or a financial service under the Corporations Act 2001 (Cth).

## 2. Not Financial Advice

The following points are critical for all users to understand:

- Stock Alerts Pro does **NOT** provide financial advice of any kind.
- Nothing in this application should be construed as a recommendation to buy, sell, or hold any security.
- Price alerts are triggered solely based on user-defined price points and market data.
- Natts Digital is **NOT** an Australian Financial Services (AFS) licensee.
- Natts Digital is **NOT** registered as a financial advisor or investment advisor.
- Users should **ALWAYS** consult a licensed financial advisor before making any investment decisions.
- Past stock price movements do **NOT** guarantee future performance.

## 3. Service Description

By using Stock Alerts Pro, you agree to the following:

- You are solely responsible for all investment and financial decisions you make.
- You will not rely on this service as financial advice.
- You are responsible for ensuring your use of the service complies with applicable laws.
- You will keep your account credentials secure and confidential.
- You will provide accurate information during registration.
- You will not use the service for any unlawful purpose.

## 5. Data Accuracy & Market Data

Stock price data is sourced from third-party market data providers. Natts Digital does not guarantee the accuracy, completeness, or timeliness of any market data. Data may be delayed and should not be used as the sole basis for any trading or investment decision. Natts Digital accepts no liability for losses arising from reliance on data provided by the service.

## 6. Privacy & Data Collection

Natts Digital collects and stores the following user data:

- **Account data:** Username, name, email address (encrypted and securely stored)
- **Alert data:** Stock symbols and price targets you configure
- **Usage data:** Login times, alerts triggered (for service improvement only)
